

Procedure for the use of toilets in Novaschool centres

- Students should use only the assigned toilets.
- Access to the toilet will be organised in shifts, the distance recommended between washbasins and WCs will be maintained.
- The bathrooms will have hand soap, a paper dispenser and wastebaskets with a lid and a pedal, which will be cleaned frequently.
- Uninstallation of all roll toilet paper dispensers for the acquisition and installation of industrial service-to-service dispensers.
- The toilet lid should be closed before pulling the chain.
- Students should wash their hands after using the bathroom for a minimum of 20 seconds and then dry with disposable paper for another 20 seconds.
