SCHOOL HOTEL

Unique location and facilities

Our Novaschool School Hotel is located in Granada (Andalucía), a unique city to the south of Spain that combines mountain and beach sites, and allows you to enjoy both walks through the historic city and trips to natural sites, lakes and to the Sierra Nevada mountain area.

It is located in the town of Atarfe, 15 minutes away from the city of Granada, in a natural environment and within a totally safe area for students and residents. The school's facilities are ideal for study, leisure and sport activities.

The school, surrounded by an extensive field of olive groves, is located very close to the natural area of the Cubillas Basin (Embalse de Cubillas), where you can perform multiple nautical and aquatic activities such as kayaking, paddle surfing, pedal boats, aquatic trampoline, etc. all of which are managed by the University of Granada.

One of the charms of our School Hotel is the proximity to the Sierra Nevada Natural Park where students will enjoy the incredible pools and waterfalls of Los Cahorros and Monachil in walks that go across bridges and below the majestic waterfalls.

Our School Hotel has an independent 3-storey building for the comfort and leisure of its residents, connected to the school premises of Novaschool Medina Elvira School where different spaces and areas for various academic uses are located. In addition, you have direct access to the sport facilities.

The accommodation area has 130 rooms distributed in different areas for boys and girls with capacity for more than 400 residents. It also has common areas for leisure and recreation, a TV room with Wi-Fi access, vending machines, offices, etc.

The rooms are spacious and bright, with views to the natural environment and with equipment for the residents' greater comfort and independence. All rooms are shared between 2, 3 or 4 people; individual beds and / or bunk beds are available.
