

Travel protocol within the school

- All movement of students around and inside the school buildings will be supervised / coordinated by teachers.
- Students must respect the recommended social distancing at all times.
- It will be necessary to wash hands, a minimum of 20 seconds, before moving to another area of the school.
- Students must keep to the right when going up and down stairs, and when walking through the corridors or outdoor spaces of the school and must follow the directions of the staff and centre's signage.
- Guardrails will only be used when necessary.
- Social distance should be maintained when going up or down the stairs.
- Students must bring their own water bottle that can be refilled in the school dining room as many times as they need it.
- Physical education classes will take place outside.
