

Signposting plan and information points in Novaschool centres

- There will be signs at the entrance and exit doors of the school and in each building, including the toilets and the dining room.
- In the hallways and stairs, there will be direction markers and zone guides.
- There will be social distancing markers on the floor in the reception area to mark the minimum distance in customer service.
- Creation and installation of specific signage with instructions to hand washing and personal hygiene facilities and recommendations, both in Spanish and in English , which shall be visible for customers, students, employees and suppliers.

Example of the posters created:
